

Neck & Back Cradle

Recommended by **Dr. Don Nixdorf**, former Executive Director (28 years) of the BC Chiropractic Profession. Dr. Don says, "...unique, refreshing, functional design ...helps support the spine."

Singapore Airline Captain, **KW Tan** says, "It is comfortable, compact and easy to carry. I use it when I'm on board... in the cockpit, crewseat and during night stops in the hotel."

Obedo™ Neck & Back Cradle provides blissful, enveloping comfort and support. Obedo's unique hollow design features a proprietary foam blend and super plush cover for exquisite coziness.

FEATURES

Infinitely adjustable comfort from firm, medium to ultra soft
Naturally contoured to perfectly match your body shape
Hollow feature that dynamically cradles for maximum support
Completely washable and dryer friendly
Unique flat folding capability

BENEFITS

Customizable shape assists spine alignment
Discrete with minimal body contact limits overheating
Takes up minimal storage space, can easily fit in a purse
Dynamically adjusts to maximize support with any chair design
Multi-purpose, multi-location uses and great gift for all ages

APPLICATIONS

Flexible yet solid support during flights, and bus tours
Lower back support on long drives, commutes, and office chairs
Between the knees for side sleepers

Relax shoulders while sitting upright in bed at home or hospital
Assist in injury recovery, ie. shoulder stabilization
Lounging poolside or on the deck of a cruise ship
